

## "CT-60" - The answer

to smaller lot sizes

"Magnet-Aloxid" and "Magnet-microflex" clichés, as the name suggests: magnetic. This means that they can also be used in tampon printing machines made by other manufacturers.

More and more customers produce their own clichés due to shrinking lot sizes with frequent changes in motifs and short-notice lead time requirements.

*Laser engraved line motifs!*

*Do-it-yourself with the „CT-60“*
