## Service Trolley

Your flexible support for tampon printing machines

Made of stainless steel the new moving "service trolley" is the ideal accessory for the user on the tampon printing machine. It helps you to keep order for preparing your print material. Due to its

flexibility the "service trolley" can be positioned fast and easily on the workplace.

## Technical specification:

Equipped with 2 wing-doors and a shelf, the "service trolley" is ideal for storing accessories and consumable materials for tampon print. A shelf for storing work utensils make daily work easy.

Circular draining protective edges prevent that paint or additives are running down from the trolley.

Easy cleaning of the housing due to its durable stainless steel surface.

A handle makes the procedure on the workplace easier.

Castors with wheel stops guarantee a solid position.
